Who has the best long waves?

Stars are showing their romantic side with long, loose waves. Selena scores big with full, shiny strands, while Stephanie hits the mark by keeping her curls around chest length. Readers love Miley's gorgeous red color, but the starlet loses points for ends that are too long and stringy.

Who has the best printed nails?

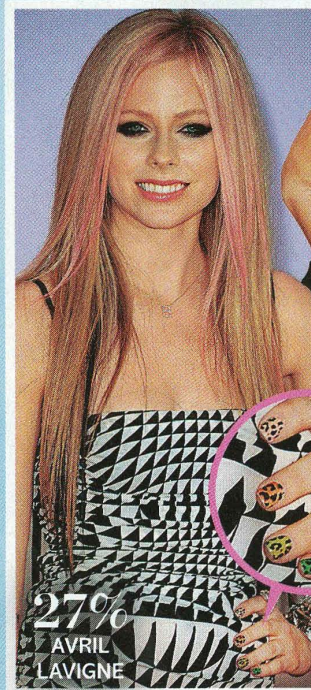

Celebs are making a statement with patterned fingertips. Naya's nails pop against the actress' simple outfit, making her the hands-down favorite. While Avril is smart to wear trimmed tips, the multi-color style totally competes with her streaked hair and busy dress.

Who has the best salmon shadow?

Hollywood beauties are eye-catching with pinky-peach lids. Rihanna creates depth by wearing the hue on the inner corners and blending coordinating shades into each crease and brow bone. Jennifer's eyes look beady with metallic shadow across the lid and lash line.
